CONTROL SYSTEM ONLY

SUBJECT: The Attached Cable

1. I submit the attached cable for your approval before dispatch. It is coordinated with HTAUTOMAT and DD/P. I have checked the three Services where there is no objection perceived though Macia and the Navy wish to think about it a bit and will call me Monday morning.

2. The DD/I sees no objection to the cable and is prepared to concur upon notice that the Services and particularly the Air Force are in full agreement.  
25X1A

3. DD/I [REDACTED] and I both understand that the cable need not be held up pending HTAUTOMAT preparing a procedural paper outlining the details of how the exchange would take place.

4. If you have no objection to this cable, I will dispatch upon receipt of concurrence from Navy and Air Force on Monday.
